

SETTING UP APPLICATION ENVIRONMENT

Create an IBM cloud account

The screenshot shows the IBM Cloud Profile page. The left sidebar contains links for Profile, Active sessions, Login settings, and Notification preferences. The main content area is titled 'Profile' and contains a 'Contact Information' section with an 'Edit' link. The section includes a profile picture placeholder with an 'Upload a photo' button, and fields for User ID (sec19t155@sairamtap.edu.in), Password (masked with dots), Email (sec19t155@sairamtap.edu.in), Role (Click Edit to enter your role.), Name (D SHANTHINI), Industry (Click Edit to enter your industry.), and Language (English).

The screenshot shows the IBM Cloud Dashboard. The top navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and D SHANTHINI's Account. The dashboard is titled 'Dashboard' and features a 'For you' section with several tiles: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services.), 'Set up your IBM Cloud account' (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources.), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel.), 'Use Cloudant' (Cloudant is a managed NoSQL document database that offers serverless scaling of throughput, capacity, and storage.), 'IBM Watson Internet of Things Platform' (Communicate with connected devices, monitor and analyze data in real time, connect your own IoT apps and add Watson AI to the solution.), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud.), 'Unlock the entire catalog' (Upgrade your account to access Virtual Servers, Baremetal, and other infrastructure resources.), and 'Build and deploy apps' (Go from zero to production in minutes with your application on the Watson IoT platform and scale your microservices.). Below the 'For you' section, there are four more tiles: 'News' (All About IBM Storage's Price and Supply Guarantee, IBM Tech Now: November 7, 2022, Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS, TrustRadius Best Software: Five IBM Offerings to Make the List), 'Recent support cases' (You can view a summary of your support cases here after you submit them. Learn more about how to get support.), 'Planned maintenance' (Clear skies! You can view your scheduled maintenance events here.), and 'IBM Cloud status' (No issues, Activate Windows, Go to Settings to activate Windows). The bottom of the dashboard shows 'Usage' and 'User access' sections.
